

Donna Mae Sims Memorial Spridget Race

This is a Spridget only race. It is open to all Midgets and Sprites entered in any class at the PVGP/VRG Historic Races at BeaveRun, regardless of the year it was built or the state of tune.

There will be trophies for 1st and 2nd place and a third trophy to be awarded by strange and arcane means!

This will be an annual event at this race. I hope to see you come out and honor a great Lady of racing and show case your cars
