

Formula & Club Ford Only Race

As in years past, this race is only open to Formula & Club Fords conforming to present VRG standards. You must meet these standards to be eligible for this race.

We will have 1st & 2nd place trophies and a third that is awarded by ways only a few are privileged to understand.

This has become an important part of our weekend festivities and I hope you will all be out in it. It has offered us some of the tightest racing of the weekend
